Graduate Student and Postdoctoral Appointment Information Form

The person below has joined the University community as either a graduate student or post-doctoral fellow. The information provided concerning this person's funding is based on the guidelines of the funding source. A new Appointment Information Form will be required when an appointee's job class code changes and/or when an appointee's source of support (i.e. "name of funding source" or grant number") changes.

For clarification of terms, please refer to the <u>Guide to Graduate Student and Postdoctoral Appointment</u> booklet issued jointly by the Office of the Vice Provost for Graduate Education and Office of the Comptroller, and the <u>Policy for Postdoctoral Fellows in the</u> <u>Physical, Biological and Health Sciences and Engineering</u> issued by the Vice Provost for Research.

Questions concerning graduate student appointment classifications should be directed to the student's Graduate Group or home department Business Administrator. Questions concerning postdoctoral appointments should be directed to the school office of Postdoctoral Programs (Medicine) or the individual home department Business Administrator. Please refer to the definitions of full-time graduate student and postdoctoral appointments listed on the back of this form.
